THE DODGE CITY-TIMES. LOCAL NEWS.

DODGE CITY, SATURDAY, OCT. 12, 78.

Ham Bell is establishing a trading post
on the Mulberry.

An operator has been placed in charge of
the Speareville telegraph office.

A voting precinct has been established
in the Pennsylvania colony settlement.

As an evidence of the healthy condition
of the county finances, scrip is selling at
55 cents on the dollar.

Rev. Father Wolff, Catholic minister,
will hold services in the Union Church
Tuesday, Oct. 15, at 10 A. M., and at Ft.
Dodge, Wednesday, Oct. 16, at 9 A. M.

A fine piece of workmanship has been
turned out in Dodge. It is a light spring
wagon, made for E. Torrey, Tuscosa,
Texas. The workmen were John O'Hara,
wagon maker, and Pat Snehue and Tom
Goodman, blacksmiths; D. S. Weaver,
painter.

The Speareville News says "W. D. Ross
of that township will be a candidate for
county commissioner at the coming elec-
tion. He is one of our hard working, en-
terprising farmers, and we have no doubt
will work for the best interests of the
community."

IMMIGRATION JUST BEGUN.
The Peabody Gazette says: Judging
from the looks of the passengers going
west, we should say immigration had not
let up much yet, in fact that it has just
commenced.

A considerable portion of the Dodge
City Times is edited in the Tribune office
in this city.—[A Jax in the Great Bend
Register.

A very small portion of the Register
ever gets edited anywhere. The "nat"
money article taken from the Champion
and palmed off in the Register this week
as original is a specimen of A Jax's brain
work.—[Great Bend Tribune.

What's the matter with A Jax—abbrev-
iation for A Jackass. Has he worms—
tape worms? We have clipped articles
from his paper and credited them to him;
but found they appeared in other papers
as original. Hence, we seldom make se-
lections from the Register. But A Jax—a
jackass—is hardly worth all this notice;
yet we presume he would bray oftener and
louder if this slight recognition was not
given him.

PRAIRIE FIRES.
There is great danger from prairie fires.
Damages are of daily occurrences. The
Kinsley Graphic says: "During Sunday
and Monday the wind blew a gale and we
noticed clouds of smoke rolling up from
the northwest and west. Some careless
emigrants or land hunters allowed fire to
get away from them. Considerable hay
was destroyed and other damage of a more
serious nature in Hodgeman county. We
urge upon our farmers the necessity of
running fire guards around your homes.
Do not delay.

The Speareville News says: The party
of emigrants arrested for setting fire to
the prairie were tried before Judge Bal-
win, by jury, and were acquitted for want
of sufficient evidence to convict them.

It further says: "We are indeed much
obliged to the gentlemen who plowed the
fire guard around town, for extending it
around our house, while we were absent.
It would be too bad to have left us out in
the cold unprotected."

NEW VOTING PRECINCT.
The Board of County Commissioners es-
tablished a new voting precinct in Speare-
ville township, at the residence of Mr.
Tammok, in the settlement known as Wind
horst, and the territory contiguous.

AN ASTONISHING FACT.
A large portion of the American people are
to-day suffering from the effects of Dyspepsia
or disordered liver. The result of these diseases
upon the masses of intelligent and valuable
people is most alarming, making life actually a
burden instead of a pleasant existence of enjoy-
ment and usefulness as it ought to be. There is
no good reason for this if you will only throw
aside prejudice and skepticism, take the advice
of druggists and your friends, and try one bot-
tle of Dr. Green's August Flower. Your speedy
relief is certain. Millions of bottles of this
medicine have been given away to try its virtues
with satisfactory results in every case. You
can buy a sample bottle for 10 cents to try.
Three doses will relieve the worst case. Posi-
tively sold by all druggists on the Western Con-
tinent.

LOST BROTHER.
John Hale, Sherman, Texas, wants in-
formation of his brother, E. A. Hale,
who was last heard from in Dodge City,
July last. He is 35 years old, 5 feet 10
inches, no beard, long hair between black
and light, weighs about 165 pounds. His
brother would like some information.

PRETTY AND YOUNG.

In every feature but the hair, which has grown
white from fever. This lady at 33 writes us
"I have used Parker's Hair Balsam six months
and am more pleased with it. It has restored
the natural brown color of my hair and given it
a silky softness, nicer than ever before. There
is no dandruff, no falling hair, and it leaves the
scalp so clean and nice and cool that I am ever
so much pleased, and feel and look like myself
again." Disinfectant properties that enter
chemically into this preparation render it heal-
ing, cleansing and healthful, and the beautiful,
fresh and vigorous hair it produces, together
with its property of restoring the hair to its nat-
ural youthful color, leaving the head entirely
free from dandruff, clean and healthy, surprises
no less than it pleases. Buy a bottle from your
druggist H. J. FRINGER and test its merits.

**THE AGED, THE FRIBLE AND
CONVALESCENT.**

Find just the help they need in the health and
strength giving properties of Parker's Gin-
ger Tonic. This comforting invigorant diffuses
warmth and vigor through the system, soothes
the nerves, banishes melancholy and gives
strength and elasticity to the worn-out frame.
It is incomparably superior to wines or li-
quors and does not intoxicate. Every mother
will not only comfort and strengthen herself but
will relieve and pacify her nursing babe by the
free use of this excellent tonic. Buy a \$1.00 bot-
tle from your druggist H. J. FRINGER, or a
sample bottle at 15 cts. and tests its merits.
